Sewing

Automatic Needle Threader

The Automatic Needle Threader easily threads the needle without eyestrain and allows you to start sewing quickly.

White LED Light

Brightens the needle entry area. LED light will not heat up even during long operations. Also since LED light has a long life and low power consumption compare with halogen light, it is more economical.

Zigzag Width Adjusting

Zigzag width can be adjusted by simply turning the Stitch Selector. With the Stitch Length Adjusting Dial, you can make your desired zigzag stitch.

Half-rotary Vertical Hook

The Vertical Hook is durable and easy to maintain.

Buttonhole Sewing

Buttonholes can be sewn beautifully and securely in 4 easy steps utilizing the easy to operate Stitch Selector.

Free Arm

The extension table slides off for free arm sewing. standard accessory parts can be neatly stored in the box.

Large and Easy-To-Use Reverse Stitch Lever

The Reverse Stitch Lever is conveniently large for easy and simple operation.

Stitch Length Adjusting Dial

Stitch length can be selected easily and finely according to thickness and type of fabric.
